FOLK SONGS, PROVERBS AND PROVERBIAL PHRASES FROM ZLARIN

Summary

Ante S. Kranjac recorded this small collection of folk songs, proverbs and proverbial phrases as he remembered them from narrations of his grandmother Kate Kazija-Petrin and his mother Marija Pave Kranjac.

Most of the songs consist of binary verses of which the first was sang three times. The editors omitted these repetitions. Explanations for proverbs and proverbial phrases, which appear in brackets, are author's. Only those were retained which are absolutely necessary for understanding the text.
