

## Croatian Medical Association

Croatian Medical Association (CroMA) was formed in 1874, at that time one of only eight physicians' associations in Europe. CroMA has the mission to promote healthcare, professional and scientific work of medical doctors, fostering of ethical issues and protection of physicians' interests. First two sections, those of Surgery and Internal medicine evolved in 1911, followed by others. Section of Rheumatology, Physical Medicine and Balneoclimatology appeared in 1947, and divided into PRM Section and Rheumatology Section in 1966. Croatian Medical Association nowadays has more than 100 societies, Croatian Society of PRM being one of the largest with over 250 members, and most active. PRM specialty was established in 1960, while even before some hospital wards were dedicated to inpatients in PRM, for instance in hospital of Varazdinske Toplice from 1957.

Poštovani,

Izvršni odbor Sekcije i Odbora za Fizikalnu i rehabilitacijsku medicinu Europske unije medicinskih specijalista (UEMS PRM Section and Board) na svojoj online sjednici dana 25.08.2020., nakon provedenog online ispitivanja delegata a vezano za mogućnost održavanja planirane naredne Godišnje skupštine UEMS-a i ESPRM-a, sa žaljenjem je konstatirao da se ista mora održati ONLINE, radi restrikcija putovanja i pandemije.

Uz veliku zahvalu domaćinima, predlaže se na početku skupštine prikazati kratku prezentaciju, možda kao video od minuti – dvije, u kojem se predstavlja Hrvatsko društvo za fizikalnu i rehabilitacijsku medicinu HLZ-a i Hrvatska.

Kao glavni tajnik Sekcije i Odbora, prenosim Vam ovu odluku uz pozdrave svih članova Izvršnog odbora.

S poštovanjem,

Saša Moslavac

Glavni tajnik, UEMS Sekcija i Odbor za Fizikalnu i rehabilitacijsku medicinu Europske unije medicinskih specijalista
