*Veterinarski Arhiv* applies the Creative Commons Attribution 4.0 CC BY (<https://creativecommons.org/licenses/>) license to all published papers, which permits use, distribution and reproduction in any medium, provided the original work is properly cited. Copyright of published papers is retained by the authors, who grant the Faculty of Veterinary Medicine University of Zagreb, Croatia, a license to publish the manuscript as the original publisher. Authors also grant any third party the right to use the article freely, as long as its integrity is maintained and its original authors, citation details and publisher are clearly stated. Individual users may access, download, copy, display, adapt and translate the manuscripts published in *Veterinarski Arhiv*, provided that the authors' intellectual and moral rights, reputation and integrity are not compromised. It is the obligation of the user to ensure that any reuse complies with the copyright policies of the owners. If the content of the published manuscripts is copied, downloaded or otherwise reused for research and educational purposes, a link to the appropriate bibliographic citation (authors, journal title, manuscript title, volume, year and page numbers, and the link to the published version on the Journal's website) should be provided. Copyright notices and disclaimers must not be deleted. For any unofficial translation of the manuscript, a statement that it is an unofficial translation of the article must accompany the text.

Authors who publish with this journal agree to the following terms:

- 1) Authors are confirming that they are the authors of the submitting article, which will be published (print and online) in **Veterinarski Arhiv** by Faculty of Veterinary Medicine (University of Zagreb, Faculty of Veterinary Medicine, Heinzelova 55, 1000 Zagreb, Croatia). The author's name will be evident in the article in the journal. All decisions regarding layout and distribution of the work are in the hands of the publisher.
- 2) Authors guarantee that the work is their own original creation and does not infringe any statutory or common-law copyright or any proprietary right of any third party. In the case of claims by third parties, authors commit themselves to defend the interests of the publisher and shall cover any potential costs.
- 3) Authors retain copyright and grant the journal right of first publication with the work simultaneously licensed under a [Creative Commons Attribution 4.0 International](https://creativecommons.org/licenses/by/4.0/) that allows others to share the work with an acknowledgment of the work's authorship and initial publication in this journal.
- 4) Authors are able to enter into separate, additional contractual arrangements for the non-exclusive distribution of the journal's published version of the work (e.g., post it to an institutional repository or publish it in a book), with an acknowledgment of its initial publication in this journal.

5) Authors are permitted and encouraged to post their work online (e.g., in institutional repositories or on their website) prior to and during the submission process, as it can lead to productive exchanges, as well as earlier and greater citation of published work.
