

AIMS & SCOPE

Economic Thought and Practice (“Ekonomska misao i praksa”) is a peer-reviewed academic journal for economic theory and practice issued by the University of Dubrovnik. It encourages high quality submissions on a broad range of topics in the field of economic including theoretical, applied, interdisciplinary and methodological work. The submissions are welcomed, but not only, on the issues of producer and consumer behaviour, regional and industrial economics, tourism, financial markets, unemployment, inflation, globalization and international economic integration, institutional economics, economic policy, development and growth, history of economic thought and other fields of economy. The emphasis will be on publishing articles rapidly and freely available worldwide. Economic Thought and Practice is an open-access journal that does not charge any author fees. This is due to support by its founding institution & Ministry of Science, Education and Sport of the Republic of Croatia.
