

References

The reference section should be labeled "References" and should appear at the end of the paper. References must be ordered according to their appearance in the paper. Please prepare complete and accurate citations. References should be formatted according to the IEEE Citation reference. Do not include references that are not cited in the text of the paper.

Citations within the text should include the number of the reference in the reference section in the brackets, for example [1]. Multiple citations should be separated by a colon, as in [1], [2].
