Manuela Zdravec, Croatian Veterinary Institute,
Zagreb, Croatia

Snježana Zrnčić, Croatian Veterinary Institute, Zagreb, Croatia

Ivona Žura Žaja, Faculty of Veterinary Medicine,
University of Zagreb, Croatia

Publication, Funding, and Licensing

Frequency: The Croatian Veterinary Journal is published six times a year (January, March, May, August, October, and December).

Availability: The journal is available exclusively as an online edition (ISSN 3102-3045).

Funding: The journal is financially supported by the Ministry of Science, Education and Youth of the Republic of Croatia.

Peer-Review: All submitted manuscripts undergo a double-blind peer-review process, in which both authors and reviewers remain anonymous. Reviews are conducted by external experts, with an equal representation of domestic and international reviewers, ensuring that every submission is evaluated before a publication decision.

Scope: The journal covers the scientific fields of Biomedicine and Health (Basic Medical Sciences, Clinical Medical Sciences, Public Health and Health Care, Veterinary Medicine, and Pharmacy) and Biotechnical Sciences (Agriculture/Agronomy, Biotechnology, Food Technology, Nutrition, and Interdisciplinary Biotechnical Sciences).

Indexing: Publications in Croatian Veterinary Journal are consistently indexed in major international databases: SCOPUS, Food Science and Technology Abstracts (FSTA), CAB Abstracts, Index Veterinarius, Veterinary Bulletin, Global Health, and VetMed Resource.

Open Access License: All articles are published under the Creative Commons Attribution (CC BY) license, allowing unrestricted use, distribution, and reproduction in any medium, provided the original work is properly cited.
