

ENVIRONMENTAL ENGINEERING - INŽENJERSTVO OKOLIŠA**Scientific and professional journal in the area of environmental engineering**

The Journal publishes scientific and technical papers and other articles in the interdisciplinary area of environmental engineering. The scientific topics covered by the Journal include geo-engineering, water resources management, technical aspects of environmental protection and similar areas. Contributions include original scientific papers, preliminary communications, short notes, review papers or technical papers.

Short journal name: EnvEng-IO

Journal is published biannually.

All papers published in journal have been peer-reviewed.

The full text of all articles is available for free at the journal web site:
