## **Festung magazine**

The journal provides a platform for the dissemination of the latest research and insights from experts in the fields of social and technical sciences, with a special emphasis on topics in economics, business, and cybersecurity. By publishing selected papers, the journal Festung contributes to the dissemination of knowledge and encourages further discussion on current challenges and opportunities in these fields. Papers received for publication are strictly controlled, and only those of exceptionally good quality, which are in line with the topics in the journal's field, are submitted for double-blind peer review.

### **Review:**

External reviews, both domestic and foreign, only scientific and professional papers, double-blind.

### **Coverage areas:**

An interdisciplinary field of social, technical and natural sciences, i.e. the fields of economics, information sciences, computer science, electrical engineering, mechanical engineering and mathematics, and related areas related to business research

### **Language:**

Papers are published in Croatian or English.

### **Receiving works:**

Papers are submitted to the editorial office exclusively in electronic form via e-mail address: [festung@unisb.hr](mailto:festung@unisb.hr)

### **Contributions published in the Journal are referred to:**

Hrčak – Portal of scientific journals of the Republic of Croatia (MZO, Srce & HIDD)

### **Usage rights:**

The journal is in open access. Papers published in the scientific journal Festung - a journal for interdisciplinary research in business may be used free of charge for any purpose with respect to the author's and publisher's copyright and citing the source. This provision complies with CC BY-NC-ND 4.0. license (Creative Commons Attribution Non-Commercial 4.0 International license) available at <https://creativecommons.org/licenses/by-nc-nd/4.0/>
