ABOUT THE JOURNAL

Kemija u industriji (Chemistry in industry) is a scientific journal which is being published continually for 70 years and from very beginning it is a journal of chemists and chemical engineers. It is official journal of Croatian Society of Chemical Engineers and of Croatian Chemical Society. It is being published as double-issue every two months.

The journal was founded in 1952 following the previous bulletin "Pregled tehničke literature i dokumentacije" (Technical Literature and Documentation Review) from 1951 which became a part of the journal, under the same title. The journal publishes scientific and professional papers, opinions, commentaries, reviews and information from practice (for details see Instruction for authors), and contributions under permanent or periodical headings, for example: Industrial and Market News, From Our Libraries, Environment Protection, News and Notes, Technological Notices, Calendar of Events (Conferences, Symposiums, Exhibitions), Book Reviews, Literature Service, Inflammable, Toxic and Reactive Chemicals, Development of Chemical Industry, Chemical Education, etc.

The journal is referred to in the following international secondary sources and databases: Web of Science™ Core Collection – Emerging Sources Citation Index (ESCI), Analytical Abstracts, Cabell’s Directory, Chemical Abstracts, Chemical Engineering Abstracts, Chemical Engineering and Biotechnology Abstracts, Chemischer Informationsdienst, CrossRef – DOI depositor, EBSCO Host – Academic Search Complete, EBSCO Host – Academic Search Premier, EBSCO Host – Academic Search Elite, EBSCO Host – Academic Search Ultimate, EBSCO Host – Academic Search Alumni Edition, EuroPub, Google Scholar, Hrčak - portal znanstvenih časopisa Republike Hrvatske, J-Gate, Norwegian Register for Scientific Journals, Series and Publishers (Nordic list), Referativnyi Zhurnal, Theoretical Chemical Engineering Abstracts, SHERPA/RoMEO, ULRICHSWEB – Global Serials Directory and many other databases.

The photocopies of the article are available through The Genuine Article delivery program from Institute for Scientific Information, 3501 Market Street, Philadelphia, PA 19104 USA.

The publishing of the journal is sponsored by the Ministry of Science and Education of Republic of Croatia and partly by the following business corporations: INA – Industrija nafte d. d., Zagreb, Siemens Hrvatska d. d., and Ru-Ve d. o. o., Zagreb.
