Open Access

The Croatian Journal of Anaesthesiology and Intensive Medicine (CJAIM) is an open-access, peer-reviewed journal published by Association "Anestezija" under the Diamond Open Access model. All content is freely available without charge to authors or readers — there are no article processing charges (APCs), submission fees, page charges, colour charges, or fees for rejected manuscripts.

Articles are published under the Creative Commons Attribution License (CC BY 4.0): https://creativecommons.org/licenses/by/4.0/

Editorial Independence

The Editor-in-Chief has full editorial independence and sole responsibility for editorial decisions, in line with WAME guidance. The publisher does not influence editorial content.
