Croatian Operational Research Review

Croatian Operational Research Review (CRORR) is an open access scientific journal published bi-annually. Starting from 2014, Number 1, the main publisher of the CRORR journal is the Croatian Operational Research Society (CRORS). Co-publishers of the journal are:

- ◇ University of Zagreb, Faculty of Economics & Business,
- ◇ J. J. Strossmayer University of Osijek, Faculty of Economics in Osijek,
- ◇ University of Split, Faculty of Economics, Business and Tourism,
- ◇ J. J. Strossmayer University of Osijek, Department of Mathematics and
- ◇ University of Zagreb, Faculty of Organization and Informatics.

Aims and Scope of the Journal

The aim of the Croatian Operational Research Review journal is to provide high quality scientific papers covering the theory and application of operational research and related areas, mainly quantitative methods and machine learning. The scope of the journal is focused, but not limited to the following areas: combinatorial and discrete optimization, integer programming, linear and nonlinear programming, multiobjective and multicriteria programming, statistics and econometrics, macroeconomics, economic theory, games control theory, stochastic models and optimization, banking, finance, insurance, simulations, information and decision support systems, data envelopment analysis, neural networks and fuzzy systems, and practical OR and application.

Occasionally, special issues are published dedicated to a particular area of OR or containing selected papers from the International Conference on Operational Research.

Papers blindly reviewed and accepted by two independent reviewers are published in this journal.

Publication Ethics and Publication Malpractice Statement

CRORR journal is committed to ensuring ethics in publications and quality of articles. Conformance to standards of ethical behaviour is therefore expected of all parties involved: Authors, Editors, Reviewers, and the Publisher. Before submitting or reviewing a paper read our Publication ethics and Publication Malpractice Statement available at the journal homepage: <http://www.hdoi.hr/crorr-journal>.

The journal is financially supported by the Ministry of Science, Education and Sports of the Republic of Croatia, and by its co-publishers. All data referring to the journal with full papers texts since the beginning of its publication in 2010 can be found in the Hrcak database – Portal of scientific journals of Croatia (see <http://hrcak.srce.hr/crorr>).

Open Access Statement

Croatian Operational Research Review is an open access journal which means that all content is freely available without charge to the user or his/her institution. Users are allowed to read, download, copy, distribute, print, search, or link to the full texts of the articles in the journal without asking prior permission from the publisher or the author. This is in accordance with the BOAI definition of open access. The journal has an open access to full text of all papers through our Open Journal System (<http://hrcak.srce.hr/ojs/index.php/crorr>) and the Hrcak database (<http://hrcak.srce.hr/crorr>).
