Guidance for References

Bibliographic references must be reported in alphabetic and chronological order in the text (e.g. Meindl & Lovejoy, 1985). For more than two authors use first author's last name followed by et al. and publication year). List of full references is listed in the reference section.

Example reference style:

Journal article

Article by DOI (with page numbers)

Article by DOI (before issue publication and without page numbers)

Article in electronic journal by DOI (no paginated version)

Complete book

Book chapter

Online First chapter in a series (without a volume designation but with a DOI)

*Complete book, also showing a translated edition [Either edition may be listed first.]*

*Online document*

*Online database*
